

## Coast Guard, DHS

## § 11.211

towing vessels, in all services except oceans.

(4) Applicants for a raise of grade of an officer endorsement who have not previously met the requirements of paragraph (h) of this section must do so.

(i) *First-aid and cardiopulmonary resuscitation (CPR) course certificates.* All applicants for an original officer endorsement, except as provided in §§ 11.429, 11.456, and 11.467 of this part, must present to the Coast Guard—

(1) Evidence of continued competency in STCW basic training in accordance with § 11.302 of this part or a certificate indicating completion not more than 1 year from the date of application of —

(i) The American National Red Cross Standard First Aid course or American National Red Cross Community First Aid & Safety course; or

(ii) A Coast Guard-approved first-aid course; and

(2) A currently valid certificate of completion of a CPR course from either—

(i) The American National Red Cross;

(ii) The American Heart Association; or

(iii) A Coast Guard-approved CPR course.

(j) *Professional examination.* (1) When the Coast Guard finds the applicant's experience and training to be satisfactory, and the applicant is eligible in all other respects, the Coast Guard will authorize examination in accordance with the following requirements:

(i) Except for an endorsement required by the STCW Convention, any applicant for a deck or engineer officer endorsement limited to vessels less than 200 GRT, or an officer endorsement limited to uninspected fishing industry vessels, may request an orally assisted examination instead of any written or other textual examination. If there are textual questions that the applicant has difficulty reading and understanding, the Coast Guard will offer the orally assisted examination. Each officer endorsement based on an orally assisted examination is limited to the specific route and type of vessel upon which the applicant obtained the majority of service.

(ii) The general instructions for administration of examinations and the

lists of subjects for all officer endorsements appear in subpart I of this part. The Coast Guard will place in the applicant's file a record indicating the subjects covered.

(iii) An applicant enrolled in an approved comprehensive program of training, service, and assessment will be authorized for an examination not more than 6 months prior to completion of the comprehensive program, provided all sea service and assessments of competency are completed prior to the examination.

(iv) The examination, whether administered orally or by other means, must be conducted only in the English language.

(2) When the application has been approved for examination, the approval is valid for 1 year.

(3) An examination is not required for a staff officer or radio officer endorsement.

(k) *Radar observer.* Applicants for an endorsement as radar observer must present a certificate of completion from a radar observer course as required by § 11.480 of this part.

(l) *Restrictions.* The Coast Guard may modify the service and examination requirements in this part to satisfy the unique qualification requirements of an applicant or distinct group of mariners. The Coast Guard may also lower the age requirement for OUPV applicants. The authority granted by an officer endorsement will be restricted to reflect any modifications made under the authority of this paragraph.

### §§ 11.202–11.210 [Reserved]

### § 11.211 Creditable service and equivalents for national and STCW officer endorsements.

(a) Applicants for officer endorsements should refer to § 10.232 of this subchapter for information regarding requirements for documentation and proof of sea service.

(b) Service toward an oceans, near-coastal, or STCW endorsement will be credited as follows:

(1) Service on the Great Lakes will be credited on a day-for-day basis up to

100 percent of the total required service.

(2) Service on inland waters, other than Great Lakes, that are navigable waters of the United States, will be credited on a day-for-day basis for up to 50 percent of the total required service.

(c) *Service on mobile offshore drilling units.* (1) MODU service is creditable for raise of grade of an officer endorsement. Evidence of 1 year of service on MODUs as mate or equivalent while holding an officer endorsement or license as third mate, or as engineering officer of the watch or equivalent while holding an officer endorsement or license as third assistant engineer, is acceptable for a raise of grade to second mate or second assistant engineer, respectively. However, any subsequent raises of grade of unlimited, non-restricted officer licenses or endorsements must include a minimum of 6 months of service on conventional vessels.

(2) Service on MODUs maintaining station by means of dynamic positioning, may be credited as service on conventional vessels for any raise in grade; however, time more than 8 hours each day will not be credited.

(3) A day of creditable MODU service must be a minimum of 4 hours, and no additional credit will be granted for periods of more than 8 hours.

(4) Creditable MODU service excludes time spent ashore due to crew rotation.

(d) *Service on Articulated Tug Barges (ATBs) and Integrated Tug Barges (ITBs).* Service on ATB or Dual Mode ITB units is creditable for an original deck officer endorsement or raise of grade of any deck officer endorsement. Service on an ATB or Dual Mode ITB with an aggregate tonnage of 1,600 GRT/3,000 GT or more is creditable on a two-for-one basis (2 days experience equals 1 day of creditable service) for up to 50 percent of the total service on vessels of 1,600 GRT/3,000 GT or more required for an unlimited officer endorsement. The remaining required service on vessels of more than 1,600 GRT/3,000 GT must be obtained on conventional vessels or Push Mode ITBs.

(e) *Service on towing vessels.* Service as master or mate (pilot) on towing vessels, when the aggregate tonnage of the

tug and barges is 1,600 GRT/3,000 GT or more, is creditable, using the aggregate tonnage, on a two-for-one basis (2 days experience equals 1 day of creditable service) for up to 50 percent of the total service on vessels of 1,600 GRT/3,000 GT or more required for an unlimited officer endorsement. The remaining required service on vessels of more than 1,600 GRT/3,000 GT must be obtained on conventional vessels. This service must be documented as specified in § 10.232(a) of this subchapter.

(f) Individuals obtaining sea service as part of an approved training curriculum pursuant to either § 11.407(a)(2) or § 11.516(a)(3) of this part must do so in the capacity of cadet (deck) or cadet (engine), as appropriate, notwithstanding any other rating endorsements the individual may hold or any other capacity in which the individual may have served.

(g) *Other experience.* Other experience in a marine-related area, other than at sea, or sea service performed on unique vessels, will be evaluated by the Coast Guard for a determination of equivalence to traditional service.

(h) *Tonnage.* When determining sea service credit for officer endorsement applicants under subpart D of this part, the tonnage of a vessel solely admeasured using the Convention measurement scheme under 46 U.S.C. Chapter 143 will be credited as Gross Register Tonnage. This paragraph does not apply to those vessels measured under the optional regulatory measurement provisions of 46 U.S.C. 14305.

**§§ 11.212–11.216 [Reserved]**

**§ 11.217 Examination procedures and denial of officer endorsements.**

(a) The examination fee set out in Table 1 to § 10.219(a) of this subchapter must be paid before the applicant may take the first examination section. If an applicant fails three or more sections of the examination, a complete re-examination must be taken. On the subsequent exam, if the applicant again fails three or more sections, at least 3 months must elapse before another complete examination is attempted, and a new examination fee is required. If an applicant fails one or
